RESOURCES

**Office hours:**

The Kalamazoo Conservation District is providing scrap tire collections at no cost to Kalamazoo County residents. Only unpainted passenger tires with rims removed will be collected and no businesses are allowed to participate. - We ask that residents limit their drop-off to 10 tires to allow us to maximize the amount of individuals we are able to service.

For 2024, there were three event dates and we **collected 2000+ tires for recycling!** This year we plan to collect even more, sign up now so we can reach our goal of **collecting 4000+ tires for recycling and ensure they dont make it in our natural spaces.**

Event Date / Time	Site Name	Collecting # Tires
Tuesday, June 10, 2025 / 1PM - 7PM	City of Kalamazoo Property	2000
Saturday, July 26, 2025 / 10PM - 1PM	Mayor Park	1000
Thursday, August 7, 2025 / 1PM - 7PM	Comstock Township Transfer Station	1000

On July 26, 2025 we will also facilitate e-waste recycling. You DO NOT need to sign up to drop off e-waste.

**If you have would like to recycling any passanger tires (or smaller) you must sign-up through our sign up sheet: HERE!!!**

Volunteers are needed for assistance in handing and transferring tires at all of these events, if you are

Monday 09 AM  
-  
Thursday 04 PM

Because we are field office, please call before you visit to confirm someone will be in to assist you
