Good Morning,

I am looking to expand our community service offerings to residents in Kalamazoo County! Could you please add these upcoming events to any community communications you may have?

We're excited to share our lineup of upcoming events designed to engage, educate, and empower our community. Whether you're passionate about sustainability, agriculture, or wildlife conservation, there's an opportunity for you to participate!

### Upcoming Events:

1. Scrap Tire Recycling Event

Date: Thursday, August 7

Focus: Turn waste into resources! Learn how scrap tires are recycled into useful products.

RSVP Here: [Recycle!](#)

2. Monthly Board Meeting

Date: Friday, August 8

Focus: Discuss community initiatives and organizational updates. Open to all members.

RSVP Here: [Meeting!](#)

3. NRCS Programming & Cropping Systems Enhancement

Date: Friday, August 15

Focus: Boost farm productivity with USDA-NRCS experts. Discover soil health and conservation funding.

RSVP Here: [Crops!](#)

4. Local Work Group Meeting

Date: Friday, August 22

Focus: Shape local conservation priorities alongside farmers, conservationists and resource professionals.

RSVP Here: [LWG!](#)

5. Wildlife Habitat Management & Hunting Collaborative

Date: Friday, September 5

Focus: Balance habitat conservation and sustainable hunting practices.

RSVP Here: [Hunt!](#)

### Why RSVP?

- Secure your spot: Some events have limited capacity.
- Receive updates: Get location details, agendas, and reminders.
- Help us plan: Ensure we accommodate all attendees comfortably.

### How to RSVP:

Click the links above for each event, check out our website at [kalamazooconservation.org](https://www.kalamazooconservation.org) or reply to this email. Need assistance?
